

VALENTINE'S DAY DINNER DANCE 15 FEBRUARY 2014

PRESIDENT ANGELINA JOTINATH SPEECH

Good Evening Ladies and Gentlemen,

It gives me great pleasure once again, to welcome you all and thank you for being with us tonight celebrating Valentine's Day. This day is usually associated with Love and Romance, a day dedicated to expressing your love for one another. We have chosen to celebrate our love with a Dinner and Dance and use it as a vehicle to collect funds for our beloved school.

Your generosity last year enabled us to make a substantial financial contribution towards the maintenance and improvement of the school's computer room and to organise a leadership course for our bright young school leavers.

We also had the pleasure of making a contribution towards a Christmas party for the residents of St. Anne's hostel.

I appeal to your kind generosity once again and hope that you will dig deep into your pockets when the raffle ticket sellers come around so we can continue with this good work.

A special thank you to my friends and former classmates, Shantha and Gowrie, for the table wine, and Yaso for the floral arrangements. I would like to take this opportunity to extend my gratitude to both Neil our official photographer and Dugald our web-master.

Finally my sincere thanks to a friendly and hardworking committee and their supportive families, our generous sponsors, well wishers, past presidents and the membership as a whole,

the hotel management, their friendly staff, our compère Pam Sivathondan and our band for this evening...Breeze!

The committee has done its best to make tonight a joyous and memorable occasion and we hope it will be another night to remember for you all.

Have a wonderful time and we hope to see you at Valentines 2015.

THANK YOU!
